# KRA Meeting Minutes

June 13, 2013

Debbie Baker, KRA Secretary

*Debbie Baker was not able to attend the June 13<sup>th</sup> KRA meeting. A volunteer who took the minutes at the meeting has not yet submitted the minutes.*

**Temporary Meeting Minutes** - by Mark S. Gietzen:

The June 13<sup>th</sup> KRA meeting featured **Phyllis Gilmore**, the newly appointed **Secretary of the Kansas Department of Children and Families**.

**Secretary Gilmore**, who came to the meeting with three of her office staff members, gave an informative 45-minute slide-show presentation about the Kansas Department of Children and Families (DCF), and about the way that her office functions. The slide-show presentation was followed by a heated round of questions from the floor.

The media persons present at the meeting chose not to ask direct questions of **Secretary Gilmore**, preferring to see how **Gilmore** would handle the strongly emotional questions that came from some of the meeting attendees, i.e., immediate family members, grandparents and relatives of children who are, or were, in state's custody.

The standing-room only audience included one person who displayed a large hand-written protest-sign critical of the performance of the Kansas DCF, concerning child custody issues.

**Secretary Gilmore** had agreed to a one-hour meeting, 45 minutes of presentation, and 15 minutes of questions, in order to make it to another Wichita meeting after the KRA meeting. However, due to the intense nature of the questions from the audience, Secretary Gilmore stayed, not only until everyone had an opportunity to ask at least one question, but rather until each and every question from the floor was fully answered.

**Secretary Gilmore** was not able to make everyone present happy; however, her sincerity, openness about the system, obvious good intentions & values – identical to most in the room, and her plans for improvement of the DCF, neutralized much of the negative emotion that was present at the start of the meeting.

The DCF employees present took notes from individual attendees who needed further follow-up to resolve their issues. In the end, **Secretary Gilmore** received a warm round of applause.

The meeting had lasted just under 2 hours.
